

2024 NHSC RULES AND REGULATIONS

1. The Organizer

The National Homeland Security Association, Inc. “NHTSA” is the official and only “Organizer” of the annual National Homeland Security Conference “NHSC” 2024 “NHSC2024.” The Organizer has the right to adjust content, times, and dates at any time.

2. Standard Booth Description and Height Restrictions

- Definition: One or more standard units in a straight line.
- Depth: All display textures over 4 feet height and placed within 10 lineal feet of an adjoining exhibit, must be confined to that area of the exhibitor’s space which is within 5 feet of the backline.
- Intent: Each exhibitor is entitled to a reasonable sightline from the aisle, regardless of the size of his exhibit. Exhibitors with larger space (30 lineal feet or more) should also be able to effectively use as much of the total floor space as possible, if they do not interfere with the rights of others. The limitation on display fixtures over 4 feet and within 10 lineal feet of a neighboring exhibit is intended to accomplish both aims.
