VENDOR BINGO

Calling All 2026 NHSC Vendors:

We are happy to announce that Vendor Bingo will be played at the 2026 conference, and we hope you will join in the fun! This opportunity will enhance booth visitation and company recognition.

How the game is played: Each participating company will be included on the Bingo cards (organization logo featured). Each attendee at the meeting will be given a Bingo card at conference check-in. When an attendee visits the exhibitor's booth, the exhibitor will mark the attendee's card on their Bingo square. Once the Bingo card is filled, the attendee will turn in the card at the NHTSA registration desk and be eligible to win a prize.

Requests from Vendors: We are asking interested vendors to provide the prizes (\$50 minimum value). If your business focuses on intangible items such as software licensing, branded items, etc. you may provide a substitute item (ie. gift cards or other products). For any sample/item too large to transport, the exhibitor is responsible for shipping the prize to the winner. You may submit more than one prize if you desire.

Benefits to Vendors: Vendor Bingo is for you IF:

- You want to enhance your booth traffic and earn additional recognition when prizes are given out.
- You want the nation's operators, emergency managers, and first responders to help spread the word about your product/service/company.
- You want further exposure at this multi-disciplinary conference of first responders and public safety professionals in the Nation.

Cost: \$300 participation fee, plus a donated prize.

Steps to Participate: Sign-up for Vendor Bingo during the online registration process.

1. Add Vendor Bingo when registering online for the conference.
2. Send the following items to Carol Tagliaferri (carol@asmii.net).:
 - a. Company logo

 - c. Suggested retail value
3. Plan to bring the prize/item with you to Louisville, KY in August (unless it is too large).

Looking forward to seeing you in Louisville and participating in Vendor Bingo!
